Attendance Estimate Request

Please provide your best estimate of attendance in each category to help us plan food orders and logistics. As contest day approaches, inform us of any changes as soon as possible so we can adjust.

Important: Photos and videos will be taken by contest volunteers and reporters. If any contestants have not given permission for their pictures to be published, please let us know.

Team and Individual Participation

- **Teams:** Each team consists of four members competing individually and as a team. Individual scores are combined to determine the team's total score. Rookie and Junior teams should plan for one chaperone per team.
- **Individual Contestants:** Contestants can compete as individuals if they prefer or if their group doesn't have enough members to form a full team. *Joining a team is not required.*
